

Athira Aravind

B Sc (Hons) Agriculture – 2nd Year
College of Agriculture, Vellayani
Thiruvananthapuram, Kerala, India

Email: athiraaravind181@gmail.com

City: Kollam, Kerala

Nationality: Indian

Languages: English (Fluent), Malayalam (Native)

PROFILE

Motivated Bachelor of Science (Honours) in Agriculture student with academic training in agronomy, soil science, and sustainable farming systems. Coming from an agrarian region of Kerala, India, I have gained early exposure to field-based agricultural practices and rural farming environments. Strongly interested in food security, climate-smart agriculture, and rural development, and seeking an internship with the Food and Agriculture Organization (FAO) to contribute to sustainable agricultural development initiatives in the Asia-Pacific region.
